ABOUT

I am studying childcare and looking for experience working with the public and children of varying ages.

I love learning and taking on practical tasks that I can use in adulthood.

I am willing to do repetitive work, and I can follow written and oral instructions. I am willing to undertake any further training required.

AWARDS

PUBLISHED POET

My poem about bullying was published in a book of poems written by children in 2013 called The Poetry Games - Poems from Wales.

WORK EXPERIENCE

PAPER DELIVERY TALBOT NEWS (3 years)

I worked weekdays to deliver morning papers to several areas in Talbot Green.

LORNA KNIGHTIGALE PHOTOGRAPHY (SUMMER 2021)

I assisted and supported the photographer during photography sessions with newborn baby safety in the studio environment and helped parents with toddlers during on-location family photo sessions. I also handled data processing and provided general assistance.

Working with the photographer has been a valuable learning experience for me. It has taught me to be positive and patient with babies and small children. I learnt techniques to communicate well, entertain and distract small children for long periods, and how to keep babies calm and satisfied so that she can photograph them in a desired pose without forcing them to maintain it. This experience has inspired me to bring the same level of care and attention to my work in childcare.

EDUCATION

DIPLOMA L2 CHILDCARE

Cardiff and Vale College - Cardiff

I completed the one-year course, which included two days a week in college studying theory, law legislation, policies and procedures for general and childcare, and three days a week at a nursery in RCT working with toddlers from 2 to 3 years old.

SKILLS AND PROGRESSION

Cardiff and Vale College - Cardiff

Completed and passed skills for the progression programme in Cardiff. I was there four days a week.

DIPLOMA L1 ART DESIGN & MEDIA

Cardiff and Vale College - Barry

I successfully completed a one-year course, excelling in sculpture and design. The course took place four days a week, and I commuted by bus, travelling for two hours before the 9 a.m. lessons began to ensure I arrived on time every day.

GCSE

Y Pant High School

I studied GCSE Drama, Art, English, Maths and Design Technology.
